Reader REVIEWS

“AMAZONAS is widely regarded as among the finest publications in the aquarium hobby...”

It's fair to say that there currently exists no better publication for dedicated hobbyists with each issue featuring cutting-edge articles on fishes, invertebrates, aquatic plants, field trips to tropical destinations plus the latest in husbandry and breeding breakthroughs by expert aquarists, all accompanied by excellent photography throughout.

—MATT FORD, SERIOUSLY FISH

“Wunderbar!”

I know the parent edition of AMAZONAS from having family in Berlin, and it is simply the best freshwater magazine in the world.

—HEIKE KOCH

“Best fish magazine on the market...”

If you're mourning the loss of *Aquarium Fish International*, take out a subscription to AMAZONAS, pronto! It's more for the advanced fishkeeper, but it's the best fish magazine on the market right now.

—NICOLE PUTNAM, AMAZON.COM REVIEWS

“Subscriber for life!”

AMAZONAS in English?! You have me as a subscriber for life. I have been following this magazine for three years, after discovering it in the Munich airport during Oktoberfest. AMAZONAS is the finest freshwater aquarium magazine I've ever seen. The Germans are as passionate about their aquariums as their beer. I am thrilled to see that the English edition is not being watered down. We want Hofbräu, not Bud Lite.

—TIM SINOTTE

“Priceless!”

I have followed AMAZONAS since it first appeared in 2005, and I don't read a word of German. Having it in English now is priceless for me!
